Have you a "silent" musical instrument in your home? Unless it's anchored there by sentiment, let a "for sale" ad in the Bonanza find a buyer for it.

If it's of exceptional value at the price, it's sure to be advertised in the Bonanza, else the merchant would be hopelessly unprogressive.

Don't you think that the store that's paying for publicity in the Bonanza, is apt to have a reason for wanting it—just as the store that is not advertised may have reasons for avoiding publicity?

If you "Keep Boarders" at all, why not keep enough boarders to make it pay? A small campaign of classified advertising in the Bonanza will keep you busy.

TO ASSUME ALL
BOND PREMIUMS
OF EMPLOYEESSOUTHERN PACIFIC WILL RE-
DUCE EXPENSES OF 45,000
MEN IN EMPLOY

SAN FRANCISCO, Oct. 22.—Beginning with January 1 of next year, the Harriman lines will assume all bond premiums of employees in their service, according to an announcement made at the offices of the Southern Pacific company here today.

In the past, it has been the custom to require all men handling money to put up a security bond, and the premium on it has been paid by the employee himself. After the first of the year this expense will be borne by the railroad company. On the Pacific system of the Southern Pacific, alone, there are about 45,000 employees, and the new arrangement, it is said, will involve a heavy expenditure annually.

This action is in line with the welfare campaign which the Southern Pacific and its allied lines are carrying on to better the conditions under which its employees are working.

ART KEENAN IS
BACK AFTER SIX
WEEKS ABSENCEHAS RECOVERED USE OF EYE
AFTER TREATMENT AT HANDS
OF SPECIALIST

A. H. Keenan, republican candidate for the assembly, who spent the last two months in Los Angeles undergoing treatment at the hands of an eye specialist, returned to Tonopah yesterday afternoon.

At the time of his departure from Tonopah Mr. Keenan was suffering from a paralyzed optical nerve, the sight of his left eye being affected. Constant treatment was required and now the sight has been practically restored. Mr. Keenan is forced to wear glasses and a decided change in his appearance is noticed.

Mr. Keenan will conduct a vigorous campaign until the election. During his absence his interests have been looked after by the remainder of the legislative ticket and from the assurance of support received, it is safe to predict that he will finish among the leaders.
